

COLLAGES

McCool Photography proudly uses the latest in digital technology to both capture and provide our customers with quality images. We use top of the line professional digital cameras, Macintosh computers with the latest in updated software to provide one of a kind collage artworks!! Our collage artist has years of experience in both Photography and Photoshop to artistically composite your favorite images. Choose from a variety of photos taken by us at the show(s), or at your farm, and let us do the rest! These collages are a perfect way to remember your show or show season... and they make a perfect gift!. Prices are as follows:
